BLACK CATHOLIC HISTORY: THE BEGINNING

Some people express surprise when they learn that Black Catholic History began in the Acts of the Apostles (8:26-40) with the conversion of the Ethiopian by Philip the Deacon.

Black Catholics trace their faith history back to Christian antiquity long before other nations heard the "Good News." Christian Africa was indeed a "leading light" in early Christendom. Black Catholics point to three popes who were born in Africa: Saints Victor I, Melchisedech, and Gelasius I. All three shepherded the early church through tough and tumultuous times in history. Black Catholics claim many Black Saints like Saints Cyprian, Zeno, Anthony of Egypt, Moses the Black, Pachomius, Maurice, Athanasius, Pudentius, Mary of Egypt, Cyril of Alexandria, Monica of Hippo, Augustine of Hippo, Perpetua, Felicitas, and Thecla. Some of these mystics, monastics, and martyrs literally made the church what it is today.

.....Nowwithstanding the moral crimes of chattel slavery, the French and Spanish missionaries ministered to their free and enslaved African population within their respective colonies. This ministry laid the foundation for Black Catholic communities within the United States, i.e Mobile, Alabama; New Orleans, Louisiana, and Saint Augustine, Florida. It is important to note that many African-American Catholics cherish a certain Peruvian Dominican, Saint Martin de Porres, the only Black Saint from the Western Hemisphere to date. Tragically, the American Catholic Church did not seriously commit its time and resources to minister to the African-American population during the ante-bellum or post-bellum periods. However, God made a way!!! The Roman Catholic Church includes 200 million people of African descent throughout the world.
