You can imagine what occurred that involved the fledgling FBI. Everyone is welcome to our discussion.

...**Black Catholic History Month!** November 1st marks the 27th Anniversary of the celebration of Black Catholic History Month. On July 24, 1990, the National Black Catholic Clergy Caucus of the United States designated November as Black Catholic History Month to celebrate the long history and proud heritage of Black Catholics. Two commemorative dates fall within this month, Saint Augustine's Birthday (November 13) and Saint Martin de Porres' Feast Day (November 3). More importantly, November not only marks a time when we pray for all saints and souls in loving remembrance, but also a time to recall the saints and souls of Africa and the African Diaspora.
